Mental calculation: compensate

PRACTICE WORKSHEET

12 exercises | A4 | 1 / 2

Name: _____ Date: _____

Show your working in the blank space or on separate paper. Sketch labelled rods/beads when asked to represent a number.

1 Calculate 44 + 49 by compensation.

2 Calculate 61 + 69 by compensation.

3 Calculate 78 + 19 by compensation.

4 Calculate 27 + 39 by compensation.

5 Calculate 44 + 29 by compensation.

6 Calculate 61 + 49 by compensation.

7 Calculate 78 + 69 by compensation.

8 Calculate 27 + 59 by compensation.

9 Calculate 84 + 79 by compensation.

10 Calculate 137 + 29 by compensation.

11 Calculate 190 + 19 by compensation.

12 Calculate 55 + 39 by compensation.

Practise interactively and explore the method:
